Chapter 3 by Keili Moore

Hello, it's me

I was wondering if after all these years you'd like to meet

To go over everything

They say that time's supposed to heal ya

But I ain't done much healing

Hello, can you hear me

I'm in California dreaming about who we used to be

When we were younger and free

I've forgotten how it felt before the world fell at our feet

There's such a difference between us

And a million miles

Hello from the other side

I must have called a thousand times

To tell you I'm sorry for everything that I've done

But when I call you never seem to be home

Hello from the outside

At least I can say that I've

To tell you I'm sorry for breaking your heart

Hello, how are you?

Chapter 4 by -

Hola Amigo!

It is your bestest friend! How has everything been going? Are you still living in NYC - if so, I would like to visit you. I will be staying up there for three weeks on vacation. My Grandparents own a business there.

How is your family? Do you still own five cats (BTW - I hate cats)? Our dog just died a few days ago, he was 18 years old!

Okay, so respond soon. Our trip begins in nine days, sooo...

Bye!

P.S. Hello - How Are You?!?!

Chapter 5 by -

Okay... We live in the 21 Century where we have e-mail and instant messaging and texting and Skype and the list could go on and on... So why write a letter to say hello?!

HELLO EVERYONE! HOW ARE YOU?
